

SEVENTH-DAY ADVENTISTS BELIEVE

JESUS CHRIST, the son of God, pre-existed with God the Father, for our sake was born of a virgin, lived as a man among men, died on the cross as a complete atonement for our sins, rose again the third day and ascended into heaven. By His perfect life, man may be saved from eternal death. John 3:16, 17

THE BIBLE is the inspired word of God both Old and New Testament revealed Christ and are taken as the base of all doctrines. These inspired messages were given man by inspiration as “holy men of God spake as they were moved by the Holy Ghost.” II Peter 1:21

THE SECOND COMING of Christ is near according to the Bible. Current conditions on earth are fast fulfilling Bible prophecy. This coming, no man-made forces, will mark the end of the world. But no man can know when this event will be. His coming will be literal, physical, visible to all mankind simultaneously. It is carefully described in Scripture as well as the signs of it's proximity. Matthew 24; II Timothy 3:1-5; Revelation 1:7; I Thessalonians 4: 16, 17

THE RESURRECTION of the righteous dead takes place at the coming of Christ. These righteous ones who have been asleep in the grave come forth from their resting place and with the righteous living are caught up to heaven with Christ. Those who have rejected salvation are destroyed at this time by the brightness of Christ's coming. They, and the wicked dead, will be resurrected when Christ returns to cleanse the earth at the end of the millennium. They will be forever destroyed by fire when the Holy City is established upon the earth made new. I Thessalonians 4:16, 17; Revelation 20, 21

THE 10 COMMANDMENTS are a perpetual law for Christian living. Different from the old ceremonial law, which pointed to Christ's death on the cross, the 10 Commandments present man's responsibility to God (the first four) and to his fellow man (the last six) By observing this law, man demonstrates his respect and love for God. John 14:21; Exodus 23:3-17; Revelation 14:12

THE SEVENTH DAY is the Sabbath. Adventists believe both Old and New Testaments point to the sacredness of the seventh-day, a memorial to God's creative power, a sign of His authority. Adventists observe the Sabbath from sundown Friday to sundown on Saturday, the seventh in the cycle of creation days. Genesis 2:1-3; Exodus 29:8-11

BAPTISM BY IMMERSION is a biblical figure of the burial of “the old man of sin” and the resurrection of the new man reborn in Christ. Baptism is the rite reserved for those of sufficient maturity to understand its meaning. Matthew 3:3-17

At a specified time, all participants will join back together to share experiences. Please plan to be a part of this activity in whatever role you feel most comfortable taking.
